CALL TO ORDER

Mayor Harwood opened the public hearing for input on off-street parking at Holly Place.

PUBLIC COMMENTS

Lowder was told by a resident at Holly Place that she would prefer 60 degree parking.

Ron Dorsey expressed concerns about large rocks that may block new parking and grass around those rocks. He noted trees may warrant removal, and estimated 12-13 vehicles park there. He suggested 90-degree parking could be difficult for him and said he preferred 60 or 45-degree parking angled toward Cedar St.

Harwood closed the May 11, 2021 public hearing.

Minutes approved June 8, 2021.
